

Do you have a project idea for a nutrition education program in your workplace or community? The Kansas Academy of Nutrition and Dietetics is proud to offer funding to support the planning and implementation of nutrition education projects sponsored by KSAND members between July 2018 and June 2019. These grants are designed to help position our members and promote RDNs as food and nutrition experts in the eyes of the community at large.

We have allotted funds for at least two grants (up to \$150 each) to aide fellow KSAND members in realizing their projects this year. These grants will be awarded on an ongoing basis until funds have been dispersed. Please see grant details for complete information on how to apply.

Separate funds are available for projects focusing specifically on National Nutrition Month in March. Watch the listserv for application and deadlines for NNM nutrition education grants.

Grant amount: up to \$150 (We reserve the right to award less than \$150 for each project).

Grant Deadline: rolling deadlines until funds are dispersed.

Grant Notification: You will be notified within 15 days of submitting application.

Grant Criteria:

- Must be a member of the KSAND to apply.
- Complete the KSAND Nutrition Education Grant Application and send to Stephanie Becker at [AwardsChair@eatrightks.org](mailto:AwardsChair@eatrightks.org).
- Write one or two sentences about your project upon completion and take one photo that can be used for social media posts. Email both to Gretchen Stroberg at [Director@eatrightks.org](mailto:Director@eatrightks.org) within 2 weeks of project completion. These will be used on the KSAND Facebook page and Twitter account.
- You are highly encouraged to apply for a poster session at the KSAND Annual Conference and Exhibits on April 12, 2019. Poster Session Proposal information will be available in early 2019 [HERE](#). Poster session presenters must pay the conference registration fee, however, they will receive a 50% discount on that fee.
- Project is not limited to a specific style, but there are ideas and guidelines on the Academy website (<http://www.eatright.org/resources/national-nutrition-month>). You are not required to use NNM 2019 branded materials for these presentations.
