

## **Director of Dining Services, RD**

### **ABOUT US**

Evergreen Community of Johnson County (ECOJC) seeks a **Registered Dietitian** to serve as the **Director of Dining Services (DDS)** for 112 individuals living in our community. ECOJC is a community committed to person-directed care practices, where the resident is always put at the center of the care.

The successful candidate will have experience in both clinical dietetics as well as the management of food service personnel. The DDS is responsible for the completion of clinical assessments; completion of resident care plans as a member of the care plan team; development and oversight of all menus and nutrition programs; large-scale meal production; and the hiring, training, and supervision of food service personnel. The ideal candidate will be knowledgeable of State & Federal regulations related to food handling and dining services in long-term care communities and will possess excellent communication and organization skills. As directed by the Executive Director of the community, this individual is responsible for assuring that quality nutritional services are provided daily and that the department is maintained in a clean, safe and sanitary manner.

### **JOB DESCRIPTION**

- Completion of all clinical assessments and care plans
- Development of menus
- Oversight of nutritional programs
- Oversight of large scale meal production
- Management of department, including hiring, training and supervision of food service personnel
