

Full-Time and Part-Time Positions Available throughout Kansas

Immediate hire locations are around Wichita and Coffeyville areas

Education and Certification Requirements:

BS degree in Dietetics or related field.

Must be registered with the Commission on Dietetic Registration (CDR) as a Registered Dietitian.

Must be licensed or certified as required by the State Licensing Agency for the state(s) in which he/she works as a dietitian.

Job Summary

The consulting dietitian guides the facility in the operation of a safe food and dietetics service that provides residents or patients with meals and services that meet their nutritional and therapeutic needs. The consultant does not assume staff or management responsibilities, but does observe, evaluate, advise, instruct, and recommend.

Performance Requirements

The consulting dietitian is responsible for observing the operation of the nutrition/dietary department of the facility, as appropriate, and indicating necessary changes to meet regulatory laws and compliance standards.

The consulting dietitian must demonstrate his/her knowledge of the job through exhibiting organizational and management skills and clinical nutrition competency.

The consulting dietitian must have the ability to work harmoniously with people, flexibility under varying circumstances, maturity, decisiveness, patience, integrity, and professionalism.

Professional Requirements

The consulting dietitian must have experience with varied responsibilities in medical nutrition therapy, administrative supervision, dining services, and staff education. Training can be provided.

Experience Preferred.

Training can be provided.

Job Relations

The consulting dietitian must exhibit a direct working relationship with the food service manager/assistants, Administrator/assistants, and director of nursing/assistants. The dietitian must also exhibit close working relationships with all dietary employees, nursing personnel, and other personnel of the facility. Staff or management duties are not applicable, since this is a consulting position.

Pay Rate depends upon experience and location. Accepting a Full-Time position does require travel. Travel is reimbursed per our policy.
