

Position Announcement

The River Valley Extension District is comprised of Clay, Cloud, Republic and Washington Counties in North Central Kansas with offices in Belleville, Clay Center, Concordia, and Washington. The district team includes eight Extension agents, four 4-H Program Managers, four district support staff, and two part-time, grant-funded, SNAP Ed Nutrition Educators. The population of the district is approximately 27,500.

This position will coordinate the SNAP Ed Nutrition Program, supervise two SNAP Ed Nutrition Educators, and deliver Nutrition, Food Safety, and Health programs to residents of the four counties. Low to moderate income and fixed income clientele are a primary audience for the educational programming as 11.6% of the district is below poverty level and 22% of the district's citizens are over 65 years of age.

TITLE: Extension Agent

PRIMARY AREA OF RESPONSIBILITY: Nutrition, Food Safety and Health

LOCATION: Offices in Belleville, Clay Center, Concordia, and Washington. The preferred office location for this position is in Belleville or Washington.

APPLICATION DATE: Screening of applications will begin April 30, 2018 and continue until the position is filled. This position is available on or after June 14, 2018. The starting date is negotiable.

Responsibilities:

Extension agents are professional educators who serve as a link between Kansas State University and communities across Kansas. Agents are administratively responsible to the Director of K-State Research and Extension (represented by a designated administrator) and the local extension board.

1. Provide primary leadership for the development and implementation of research-based programming related to nutrition, food safety and health. Programming will include but is not limited to: nutrition through the life cycle, nutrition of low-income audiences, food security, consumer and food handler food safety, physical activity promotion, and chronic disease prevention. Supervise a nutrition program assistant.
2. Provide support for 4-H youth development programming related to nutrition, food safety and health.
3. Programming will include these steps:
 - a) Identify local needs and emerging issues related to K-State Research and Extension's five Grand Challenges (water, community vitality, health, developing tomorrow's leaders and global food systems) by engaging with program development committees and other community organizations and professionals.
 - b) Design appropriate educational strategies to engage clientele. These strategies might include delivering educational programming in a community-based setting, coordinating events and activities that provide experiential learning opportunities, using innovative technologies, providing individual educational consultations and facilitating groups seeking similar educational outcomes. Some overnight travel and evening and weekend work will be required.
 - c) Develop and implement strategies to expand the reach of educational programming to under-served audiences and to make certain K-State Research and Extension is an equal opportunity provider of educational programming.
 - d) Collect evidence of educational program impact.
 - e) Develop specialized knowledge and skills by engaging as a member of the Nutrition, Food Safety and Health Program Focus Team.
4. Secure external funding such as grants, gifts and cost recovery to supplement local tax revenue to support and expand educational programming.
5. Serve as a member of the River Valley District team cooperating in the planning and delivery of district-wide programming and related events.

QUALIFICATIONS

Required:

- Bachelor's degree with knowledge of nutrition, food safety and health as evidenced by academic courses, professional development and/or professional experience.
- Evidence of strong academic and/or professional performance as documented by college transcripts, acceptance into a graduate program or documented success in increasingly responsible professional positions.
- Ability to communicate effectively, both orally and in writing, with individuals, groups and through mass media.
- Leadership skills as evidenced by working with individuals, groups and co-workers.
- Access to a personal vehicle and the ability to obtain/maintain a valid driver's license.

Preferred:

- Master's Degree.
- Experience working collaboratively with other organizations to achieve community health and wellness goals.
- Experience working with adults and youth from various ethnic and socio-economic backgrounds.
- Commitment to personal professional development.
- Ability to utilize electronic communication and computer applications to fulfill programming responsibilities.
- Self-motivation and ability to work with a minimum of supervision, balancing multiple projects.
- Ability to design, promote, implement and evaluate educational programs.
- Skills in group facilitation.
- Knowledge of adult and youth teaching/learning processes.
- Experience in seeking and administering external grant funding.

SALARY, BENEFITS, AND PROFESSIONAL DEVELOPMENT

1. Salary commensurate with professional experience and available funding as negotiated by the area extension director, the local extension board and the applicant. The base starting salary is \$39,000 for a BS degree with no professional experience and \$42,000 for a MS degree with no professional experience.
2. Extension agents are Kansas State University educators and have the Board of Regents retirement plan, health and life insurance and vacation and sick leave. Depending on the date of hire there is a minimum of 30-day waiting period for health insurance. For a complete list of benefits see: <http://www.k-state.edu/hcs/benefits/overview/>
3. Reimbursement for travel related to achieving program objectives.
4. New agents are provided approximately 15 days of new agent professional development on the K-State campus during the first six to nine months. These 15 days are spread out in four different weeks. In addition, new agents spend at least three weeks with a mentor agent during the first year.
