

Kansas Academy of Nutrition and Dietetics

APRIL MEMBER SPOTLIGHT: Tammi Krier, MS, RD, LD

Her Career

Healthy Eating Director at the
Greater Wichita YMCA

"My focus in this role is to help the Y lead the community in creating a culture of good nutrition. I think I have the best job ever :)"

Her Passion at the Y

"In this role I get to be involved in a wide variety of initiatives including: creating and teaching kids cooking classes, facilitating Cooking Matters for Parents to help them learn how to plan, shop, cook, and eat healthier on a budget, facilitate our internal employee wellness program, chair the Wichita area Food Policy Committee, work closely with the Health & Wellness Coalition of Wichita, and be involved with the Wichita Dietetic Association board."

Exciting Program Ready to Launch...

"Most recently, I was able to secure funding to launch Double Up Food Bucks program (a SNAP matching program at the farmers markets) in Wichita, which I now get to help implement this summer!"
