**Healthier Tomorrows**, a nutrition practice focusing on care for clients of all ages, is looking for passionate, creative and enthusiastic registered dietitians to join our team. We are committed to helping our clients feel their very best and achieve their wellness goals, while also supporting our team of dietitians in their clinical and professional development. We provide nutrition counseling to those seeking support for eating disorder/disordered eating recovery, those seeking support with nutrition related medical conditions, and those seeking a functional approach to wellness.

We are seeking candidates with a strong background in nutrition counseling, and passion and special interest in functional nutrition, MNT or eating disorder/disordered eating recovery. In addition, the successful candidate will take pride in delivering the highest quality of care to our clients, will enjoy collaborating with our team of dietitians and other outpatient clinicians, will be able to receive constructive feedback, and will be dedicated to continuously improving as a healthcare professional. We are looking for someone who is passionate about providing one-on-one nutrition care to our clients, a candidate who loves building relationships, and one who feels committed to ongoing professional development and skill building.

All qualified candidates are encouraged to apply – there is no requirement that successful candidates live in the Chicagoland area. Candidates living in the Chicagoland area will have the opportunity to work in-person in our offices in the city and suburbs; candidates living outside of the Chicagoland area will work with our clients and our team on a remote basis via telehealth, possible in person in the future. Please include a cover letter when applying describing your experience and interest in this position. Applications that do not include a cover letter will not be considered.

The primary responsibilities of this position include:

- Providing comprehensive nutrition assessments and ongoing nutrition support and counseling through individualized one-on-one client sessions
- Providing dietary and other treatment recommendations, including recommendations for additional clinicians to support wellness goals, if appropriate
- Collaborating with therapists, psychiatrists, medical doctors, and other professionals
- Completing clinical documentation of client sessions via electronic medical records

#### **Education / Experience / Certifications**

- Registered dietitian
- Minimum 1-2 years nutrition counseling experience and/or training
- Excellent communication skills

#### **Benefits**

- Competitive salary
- Scheduling flexibility
- Paid time-off
- Paid parental leave
- Independent work environment, and also part of a supportive and cohesive team
- Professional supervision, individual and group case consultation, and regular trainings
- Opportunities for career growth
- Blue Cross/Blue Shield health insurance available
- Dental and vision insurance available
- Company-matched retirement contributions

We would love to hear from you if you are interested in joining our team! Please send a resume and letter of interest to [info@healthiertomorrows.com](mailto:info@healthiertomorrows.com), or apply at <https://healthiertomorrows.com/join-our-team/>.
